

Prayer List for April 10, 2019

Pray for Persecuted Christians in Nigeria

- Pray for Christians in the middle of Nigeria, who are facing increased hostility and attacks from Fulani militants.
- Sharia law has been implemented in 12 northern states and Christians their face marginalization and discrimination. Pray that these Christians would not be discouraged. Pray they will not be tempted to give up the faith in pursuit of an easier life.
- Pray for Fulani militants, the members of Boko Haram and other extremist groups. Pray that God will touch their hearts with His truth.
- Despite the challenges, the Church continues to grow in Nigeria. Pray for wisdom, courage and true servanthood for pastors as they seek to serve these believers who often face challenges. Pray they will have the necessary resources to lead their congregations to full knowledge of God, filled with hope and endurance.
- Often, the government of Nigeria has been accused of being slow or unwilling to address attacks against Christians. Pray for courage and for peace.
