

# Prayer List for November 4, 2020

## Pray for Persecuted Christians in Morocco

- A recurrent problem for Christians who are open about their faith relates to Article 220 of Morocco's Penal Code, which criminalizes "shaking the faith of a Muslim." This puts many Christians who talk to others about their faith at risk of criminal prosecution and arrest. Pray that believers are emboldened to share the love of Christ.
- Pray for Christians who have difficulty finding a church to attend. Pray that they would not be discouraged or lose their commitment to meet with a church community.
- While the law only punishes proselytization, converts to Christianity can be punished in other ways, for instance by losing inheritance rights and custody of children. Pray for protection against injustice.
